Dear Mr. Raboud:

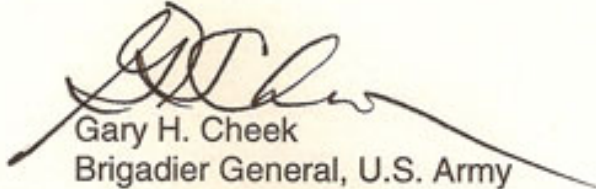

Thank you for your hard work and invaluable contribution to the recovery and future productivity of our wounded, ill and injured Soldiers. Wounded Warrior Outdoors has had a profound impact on the attitude, focus, and well being of many Soldiers and Family members from units all across the country.

Our Soldiers only need an opportunity to realize that despite their injuries they can have a rich, rewarding, and productive future. Wounded Warrior Outdoor is helping them find that future.

Again, thank you for everything you have done, and continue to do for our Wounded Warriors and the Nation. I know they are in good hands.

Army Strong!

Sincerely,

  
Gary H. Cheek  
Brigadier General, U.S. Army
